

Gallery Z is proud to provide a variety of professional services to the community. This convenient printable list outlines the many options you have when making the smart decision to allow us to help you in your current project or acquisition.

Services Gallery Z Provides:

- Art lending for restaurants, hotels, and other businesses, on a monthly basis. All pieces from the gallery's permanent collection are available for lending through this program.
- Hosting private functions for for-profit and non-profit organizations, in an environment full of high-quality art. Available services for such functions can include valet parking, hosting by Gallery Z staff, wine tasting, and complete catering.
- On-location residential and commercial consultations regarding space, color, and lighting in order to aid in the selection of artwork. We will gladly work with interior designers in helping to coordinate your artwork selections with the overall aesthetic of your home or business.
- Delivery and hanging of artwork for local buyers.
- Crating, packaging, and shipping of art work any where in the world.
- Having artwork authenticated, appraised, and restored.
- Commissioned work by one of Gallery Z artists, from small-scale paintings to large murals.
- Comprehensive research on artists and artwork of interest, establishing historical context, track records, auction results, provenance, artist profiles, and other pertinent information.
- Negotiating to purchase artwork from: other galleries, brokerages, auction houses, art dealers, and private entities, resulting usually in at least 20-50% savings.
- Supplying art work for short term use, including sculpture, paintings, and photography, to be displayed at functions such as conventions, professional gatherings, and special occasion events.
- Photographing art work, in a variety of different formats, including 35mm film, regular slides and 4x5, and high-end digital. These photography services are useful for insurance reasons, inventory control, record-keeping, and archiving.
- Personalized, customized, archival matting and framing of artwork, with an emphasis on quality and matching tastes. Consultations for this work can be done at the gallery or at your desired location.
